**Nur Ali WINS the 2014 Overall Track Championship
at Texas Motor Speedway**

FORT WORTH, TX (November 1, 2014) – In front of the NASCAR Nationwide crowd at Texas Motor Speedway this afternoon, Nur Ali was crowned the track Champion for the 2014 season in the Legends Semi-Pro Division. Ali competed in the Lone Star Legends Series the entire year racing at the 1/4 and 1/5 mile tracks at the renowned Texas Motor Speedway.

The 40-year-old Trophy Club, Texas resident drove the #99 Legends car to 9 victories and 8 Top-5 finishes. This is Ali's second Championship this season, having won earlier this summer in the 10-race Lone Star Legends Thursday Night Stampede Series Shootout.

Buddy Goudy of Cherokee Racing has been working with Ali the past two seasons. "Buddy knows his Legends cars inside out as he's been at it in the series for over 15 years," Ali stated. "His commitment to my racing program and the wealth of knowledge he brings is invaluable".

As the 2014 season comes to an end, Ali is looking forward to next year possibly competing in a new series outside of NASCAR. "What an amazing year it's been for me personally with the birth of my son earlier in January and then having won two Championships in the Legends Series back-to-back," Ali stated. "I am looking forward to the 2015 season as we have multiple opportunities to run in a different series which we are hoping to announce in the coming weeks as we align our sponsors and partners."

Stay tuned for announcements during the off-season. For further information on Nur Ali, visit nurali.com.
